## UPDATE

### Day 2!!!

Today saw the Parties presenting counter proposals from yesterdays presentation of initial proposals. Both Parties were able to agree upon and sign-off on numerous items. Most was language for articles such as decreasing timelines to use lieu time, protecting Vac time during bereavement, amalgamation language and increasing unions ability to represent members to name a few. The next Bargaining Day is scheduled for January 23rd. The Parties will likely be getting into the more involved proposals such as meal breaks, benefits, etc.

## THANK YOU!!

The Bargaining Committee would like to thank those who showed up for yesterdays Solidarity Event/Food Drive at White Oaks. Your presence was noted by the Employer and the public. It was a perfect example of what Strategic Planning is working to accomplish. Keep up the amazing work!!
